## Launching our 10<sup>th</sup> Generation Little PC

### Our New Member of the LPC-800 Series

### “The LPC-870”

We hope this message finds you well. We are excited to share with you the latest news about our products and services. Our team has been hard at work to bring you the best products possible, and we are proud to announce *our* launch of *the latest additions to our LPC-800 Series*.

The LPC-870 Little PC is a revolutionary edge computer that use high-speed Intel 10th Gen Core and Xeon processors, support both ECC and non-ECC DDR4 memory, offer high-density SATA storage and multiple expansion configurations allowing users greater flexibility to choose application specific modules from a range of options. We believe that this product will exceed your expectations and enhance your work life in new and exciting ways.

[LEARN MORE](#)

#### Key Features

- Powerful 10th Gen Embedded Intel® Core™ and Xeon-W Processor options
- Up to 64GB memory supported in both ECC and non-ECC configurations
- 9-48 DC Power input
- Support for up to 3 x SSD (2 x removable)

#### Benefits

- Increased processing speeds using extended life components for long-term product availability
- Error Correction capability if using a Xeon Processor
- Ideal for mobile/field applications
- Higher density data storage with RAID support

- Expansion Bays for optional 10Gb LAN ports, RJ45 PoE Ports, RS232 Serial Ports & additional USB 3.2 ports
- Extra LAN & USB ports supported with flexible add-on modules to deliver high-speed connections with low-latency data transmission for advanced industrial applications

## What does the LPC870 Offer vs the LPC-860 & LPC-862

[Check the Comparison](#)

**Here are other products that complement our new offering**

### LPC-950

- Intel® Celeron®, 6th & 7th Generation Core™, & Xeon® processors
- ECC Memory Support
- Dedicated NVIDIA® GeForce® 1050 or 1050TI graphics card
- Supports up to 8K resolution and up to 7 Displays
- Wide Range 10-36 VDC Input, ideal for mobile/field

[LEARN MORE](#)

### SV-1905

- 19" Industrial Grade Panel Mount Touch LCD Display
- Meets NEMA 4/4X / IP66 Environmentally Sealed
- Multiple wide range DC input voltage configurations (9VDC-300VDC)
- Wide operating temperature (-10C – +60C)
- DVI-I, HDMI & DisplayPort video connectors
